

Emile Monfils

Senior Manager Transfer Pricing

Emile is a Senior Manager at Quanteria Global and has more than eight years of experience in international tax and transfer pricing. Prior to joining Quanteria Global on 1 November 2014 he worked at the transfer pricing department of a Big 4 firm in the Netherlands and worked as a Business Analyst for a consultancy firm in the Netherlands.

Next to his experience in business process optimization, Emile has gained experience in all major aspects of transfer pricing including design, financial modelling, functional & financial analyses, profit split analyses, transfer pricing audits, Mutual Agreement Procedures, Advance Pricing Agreement procedures, global business restructuring projects and Dutch innovation box projects.

Qualifications

- MSc in Fiscal Economics and LLM in International and European Tax Law, both at Maastricht University
- Member of the Dutch Association of Tax Advisers
