

Rudolf Sinx

Managing Director

Professional Background

Rudolf is a Managing Director of Quanter Global and has over 25 years of experience in transfer pricing and international corporate taxation, specializing in design of transfer pricing systems, having gained experience across a wide range of industries. He is a board member of the transfer pricing section of the Dutch Association of Tax Lawyers and a guest teacher at the VU (University) in Amsterdam.

His experience comprises the full circle of transfer pricing, from planning, design and implementation to defence and documentation.

Before joining Quanter Global, Rudolf performed Global Partner and managerial roles at a transfer pricing boutique firm as well as an international audit & tax firm, heading the Dutch transfer pricing team. Prior to this, he was a senior corporate tax advisor and key member of the Benelux Transfer pricing team at a prestigious Tax & Law firm, having trained with a Big 4 agency.
