

Nick Nijsten
Analyst

Professional Background

Nick Nijsten started working as an Analyst for Quantera Global in July 2017. Before joining Quantera Global, he worked at a consultancy firm where he gained experience in financial, legal and fiscal issues.

Nick's work experience lies in the areas of financial accounting, restructuring, fiscal advisory services for small- and medium-sized companies as well as corporate tax and income tax.

Nick likes the interaction with clients, clarifying the interests of clients and providing the best possible solutions in the area of transfer pricing. He has a hands-on mentality and likes being part of a team.
