

Privacy Statement

This Website (www.quanteraglobal.com) is operated by Quanteraglobal International B.V., with its registered office in Eindhoven, and to the extent applicable, also for the benefit of Quanteraglobal B.V., Quanteraglobal UK Ltd, or any other affiliated company, hereinafter referred to collectively as "Quanteraglobal". This Privacy Statement is applicable to the processing of all personal data through the use of this website by Quanteraglobal.

Website

When you visit this Website, Quanteraglobal may register your personal data. Quanteraglobal will only use this personal data for the purposes described in this Privacy Statement and will do everything in its power to protect any personal data collected. This Privacy Statement contains information regarding the objectives that Quanteraglobal pursues when registering data collected and how you can exercise your rights with regard to your personal data.

Information that you provide may be used to contact you, for example, to keep you apprised of changes to the functionality of this Website, or to offer you services that may be of interest to you (unless you inform us that you do not wish to receive any offers regarding products and/or services). The personal data is only for internal use and is monitored by a third party engaged by Quanteraglobal for the performance of the Website. Personal data provided will not be transferred to any other commercial third parties.

Why we process personal data

We may use your personal data to perform our services, fulfil any legal obligation, provide additional information about current developments, to provide you with the requested information, recruitment and/or compiling user statistics of the Website.

Your personal data will not be used for any purposes other than the above. We may instruct third parties to perform services on our behalf. We will not disclose your personal data to any other third party without your permission.

What personal data do we process

Your personal data processed by us may include your name, gender, postal address, e-mail address, phone number, language preference, job title, function, information about the sector you work in, your jurisdiction of interest, or reports of our contacts with you.

We may collect information about you through multiple sources such as for example:

- Directly from you, such as the information you provide to us when you subscribe to our Mailings;
- from other sources, such as your (former) employer or colleagues;
- from publicly available sources such as LinkedIn or the corporate website of the organisation you are working for.

The personal data will be deleted when it is no longer needed to pursue the purposes as described above.

Exercising rights; contacting Quanterra Global

Questions regarding this Website, regarding insight into and the accuracy of your personal data stored by Quanterra Global, or requests to have (outdated) information deleted, may be submitted via the following E-mail address: info@quanterraglobal.com. If you do not wish to receive any marketing information from Quanterra Global, you can also use that E-mail address to notify us of your wishes. If you signed up for E-mail newsletters in the past and you no longer wish to receive these newsletters, you can unregister for this service separately by clicking the unregister button at the bottom of the email that contains the newsletter.

Quanterra Global will cooperate with any request for access, rectification or deletion of your personal data. You have the right to withdraw your permission to process your personal data and to complain to the Dutch Data Protection Authority.

Amendments to this Privacy Statement

Quanterra Global reserves the right to amend this Privacy Statement. We recommend that you review this Privacy Statement regularly as to stay apprised of any amendments.

Applicable law

This Website and all information provided on this Website (including this statement) are governed by Dutch law. Any and all disputes that may arise with respect to this Website or the information provided on this Website will be referred exclusively to the Dutch court that has jurisdiction to handle such disputes.
