

Ieva Zilyte
Junior Analyst

Professional Background

Ieva joined Quanter Global UK as a Trainee Analyst in 2017 during her studies of Accounting and Finance at the University of Manchester.

Before joining Quanter Global, Ieva had completed an internship program in a transfer pricing team at a Big 4 firm.

In addition to her current Analyst role, Ieva is also studying towards ADIT (Advanced Diploma in International Taxation).

Her work experience covers transfer pricing of financial transactions, business restructuring and documentation process for clients in different industries.

Ieva's professional aspirations include developments in tax practices of hard-to-value intangibles and digital economy.
